Peter Butler just called and I let him know we would not be in attendance at the ARSG meeting this week. I indicated that we are reviewing our action at the GKM, developing plans going forward and those will be available when and as appropriate. He indicated we would be missed.

Shaun & Martin – You may receive a phone call from Peter Butler regarding our participation in the ARSG meeting tomorrow. I conveyed our message to him this morning as an aside to a La Plata County technical advisory group meeting.
